

# GOLDEN STATE GYMNASTICS

June 2010 Newsletter

Dear GSG Parents,

Congratulations to Cheyenne Brown! Cheyenne, a Silver level gymnast at GSG, is the 2010 USAIGC National Floor Champion! Cheyenne competed with her teammates over the weekend at the USAIGC National Championships in Florida. Every year, gymnasts from all over the country gather to compete at National Championships. While qualifying is an honorable feat in itself, the prestige of what Cheyenne has accomplished in winning the title is simply amazing!

## Summer Camp

GSG's Fantastically Fun Summer Camp is in full swing. We have many happy kids spending their summer days jumping, tumbling, playing water games, making crafts and new friends. Each week is a new adventure! Check out our latest photos from the first three summer camp weeks! Don't forget to ask our staff about a \$5 discount. Make this summer memorable for your child!

We are proud of our summer partnership with the Boys & Girls Club of Burbank. Their summer camp participants have the opportunity to run, jump, tumble and play in GSG's facility at no additional cost. We believe that this co-operation will allow every child to enjoy the best of what Burbank's non-profit organizations have to offer while making memories that will last a lifetime.
